-----------------------	----------------

Brand	Oli & Carol
-------	-------------

Batch number	GH244
--------------	-------

Barcode	8437021201857
---------	---------------

Product description	Car toy made of rubber, in the shape of a carrot with four wooden wheels. Product sold online, in particular via babykochs.de
---------------------	---

Risk type	Chemical
-----------	----------

Risk description	The rubber of the toy releases an excessive amount of nitrosatable substances (measured total value: 2.5 mg/kg), which generate nitrosamines, among which is NDMA. Nitrosamines may cause cancer through ingestion or dermal exposure. A child could be exposed to them when touching or putting the product in the mouth.
------------------	--

Legal provisions (at EU level) and European standards against which the product was tested and did not comply	The product does not comply with the requirements of the Toy Safety Directive nor with the European standard EN 71-12.
