

LUXKIDS

Recall of Selected Bodystockings from mikk-line

At mikk-line, children's safety is always our highest priority. We have identified a potential safety risk in selected style no.'s and are therefore issuing a voluntary recall of the following products:

Style No.	Product Name	Colour
100907	2-Pack LS Body	Dijon
100907	2-Pack LS Body	Gray Green
100907	2-Pack LS Body	Adobe Rose
100906	2-Pack SS Body	Dijon
100906	2-Pack SS Body	Gray Green
100906	2-Pack SS Body	Adobe Rose
100109	2-Pack SS Body	Dijon
100109	2-Pack SS Body	Adobe Rose
100109	2-Pack SS Body	Gray Green

Reason for the recall

We have discovered that the snap buttons on these bodystockings may detach during use. This poses a potential choking hazard if a loose button is put in a child's mouth. While no incidents have been reported, we are taking precautionary and responsible action.

What should you do?

If you have purchased one of the listed bodystockings, please:

- Stop using the product immediately, and
- Either dispose of it safely in accordance with local environmental guidelines, or
- Return it to the store where it was purchased.

If you purchased the product through our webshop, you may request a full refund including shipping costs by contacting shop@luxkids.dk

If you purchased it through one of our retail partners, please contact them directly.
