

Voluntary recall and important safety precautions regarding NEWMEN roadbike wheels and rims
Wiggensbach, 20th April 2018

Dear customer,
dear authorized dealer,

as a responsible manufacturer of innovative and quality products, MG-Components makes sure all products undergo thorough and in-depth testing. This is the only way we can ensure our high quality products to be safe and reliable. In course of our permanently ongoing market monitoring we have decided to issue a voluntary and precautious recall of the following roadbike wheels and rims:

NEWMEN EVOLUTION SL R.25
NEWMEN EVOLUTION SL R.32
NEWMEN ADVANCED SL R.25

The recalled products can be distinguished by the following features:

Due to unfavourable tire-rim-tolerances and/or tire installation errors, there is a possibility of the tire coming off the rim with immediate loss of air pressure which can cause unforeseeable consequences for your life and limb.

CAUTION!

- **The following wheelsets are not allowed to be ridden anymore whatsoever with immediate effect.**
- **Please inform all your customers about the immediate prohibition of use for their own safety.**
- **Do not hand over any more bikes, wheels or rims of the listed types to your customers.**

The recall affects the following Cube road bike models with NEWMEN wheelsets which have been sold from 23th May 2017 until today.

Cube Agree Hybrid C.62 SL Disc white'n'black 2018 / 2019 (#139050)
