

Alert number: A12/1579/18

Product: Children's high chair

Name: Unknown

Risk type: Entrapment, Injuries

Category: Childcare articles and children's equipment

Brand: FLEXA

Type / number of model: 82-10020-1

Risk level: Serious risk

The high chair is unstable and the restraint system is inadequate.

If a small child leans to the side of the high chair, it could overturn leading to injuries. A child could also put his head between the tray and the seat and get stuck.

The product does not comply with the relevant European standard EN 14988.

Measures taken by economic operators: Withdrawal of the product from the market (By: Manufacturer)

Description: Children's high chair made of wood and polymer. Pre-fitted with a waist/crotch restraint system.

Batch number / Barcode: 5706459060217
