

Alert number

**[A12/00658/21](#)**

Product

**Particle filter mask**

Risk type

**Health risk / other**

**The product advertises a protective potential against particles but its filtering capacity has not been tested by a relevant competent European conformity assessment body. Additionally, it was found that the particle/filter retention of the material is insufficient (measured values: up to 67%), and the mask does not properly adapt to the face. Consequently, the product does not fulfil the health and safety requirements; thus, even if combined with other recommended measures, it may not properly protect.**

**The product does not comply with the Personal Protective Equipment (PPE) Regulation and with the relevant European standard EN 149.**
