

Alert number **[A12/01284/22](#)**

Product **Eyelash adhesive**

Risk type **Chemical**

The product contains cyanoacrylate, which causes eye and skin irritation, but the packaging does not have an adequate safety label bearing risk-related indications in the national language or a correct pictogram as required for chemical mixtures. The user therefore does not have the necessary information on the dangers incurred when the product comes into contact with the skin or the eyes.

The product does not comply with the Regulation on classification, labelling and packaging of substances and mixtures (CLP).
