

Alert number

SR/04482/25

Notifying country Germany

Product category Electrical appliances and equipment

Type Consumer

Product Kettle

Name Wasserkocher, 1,8 l

Brand MICHELINO

Type / number of model 74352

Batch number BE0005048

Product description Black kettle, 1 800 W, volume: 1.8 litres

Risk type Environment

Risk description In the importer's similar models of kettle, SCCPs were found in the components 'black plastic (plug)' and 'black plastic (cable sheathing)'. The importer cannot rule out this product also containing a level of SCCPs that exceeds the limit value. The product has an excessive concentration of short chain chlorinated paraffins (SCCPs) (measured value up to 0.34 % by weight). SCCPs persist in the environment, are toxic to aquatic organisms at low concentrations and bio-accumulate in wildlife and humans, posing a risk to human health and the environment. Prolonged exposure to them through the skin may cause cancer.

Legal provisions (at EU level) and European standards against which the product was tested and did not comply	The product does not comply with the Persistent Organic Pollutants (POP) Regulation.
Country of origin	People's Republic of China
Measures taken by economic operators	Recall of the product from end users Importer
